This exploded view diagram illustrates the assembly of a portable electric heater. The components are numbered as follows:

- 19**: A power cord with a three-pronged plug.
- 20**: A flexible heating element cable.
- 21**: A small cylindrical component, likely a thermal fuse or temperature sensor.
- 22**: A long, narrow rectangular housing or frame.
- 23**: A cylindrical motor or fan unit.
- 24**: A small screw or fastener.
- 25**: A small cylindrical component, possibly a switch or control knob.
- 26**: A small rectangular component, likely a control switch or thermostat.
- 27**: A rectangular control panel or switch assembly.
- 28**: A small cylindrical component, possibly a screw or fastener.
- 29**: A small cylindrical component, possibly a screw or fastener.
- 30**: A large, rectangular heating element assembly.
- 31**: A small rectangular component, possibly a switch or control knob.
- 32**: A small cylindrical component, possibly a screw or fastener.
- 34**: A vertical rectangular panel or guard.
