

# LAVA LV-32LLP

## Chameleon Line

### Versatile wall TV

The light-weight, super-slim design and exchangeable frame make the LAVA LV-32LLP a versatile, adaptable wall TV.

It can be adapted to complement any interior - just like a chameleon.

### Sublime picture quality

All LAVA LCD-TVs are built on digitally enhanced image technology to give the viewer the ultimate experience.

### Built for the future

Our units are HD-ready approved, the panels have an impressive life-span of up to 60 000 hours or more.

That's more than 40 years of normal viewing!

# LAVA LV-32LLP

True 16:9 format combined with HD-ready approval, your TV will be guaranteed the full advantage of High Definition broadcasting.

With its wide viewing angle of 170 degrees horizontal and vertical the LAVA LV-32LLP is very easy to place.

Equipped with full range Nicam-stereo, auto-volume-leveller and FM-Radio for more sound options.

Our LCD-TV is extremely light-weight.  
Weighs a fraction of what a comparable plasma-TV does.

1000 Pages Teletext.

LAVA LCD- TVs are completely silent and has no irritating noise from cooling fans.

Choose between 4 shades! All TVs come with the standard frame in Obsidan Black. As an accessory you can choose Ivory White, Magma Red and Oxygen Chrome.
