Vacuum cleaners without electronic remote control.

All spare dust covers will be standardised to one colour: black.

In most cases, defective swivels, which are part of the dust cover, can be replaced by breaking them out of the dust cover by means of, for example, a vacuum cleaner tube.

NEW SPARE PART.

Swivel of dustchamber cover has code number: **4322 009 07650**.

Dustcover complete:

L = 290 = 4322 009 05720

L = 335 = 4322 009 05610
