## 2. Refrigerator

### Exploded View

This exploded view diagram illustrates the assembly of a refrigerator. The main components are shown in their relative positions, with dashed lines indicating the assembly sequence and alignment. The parts are numbered as follows:

- 1**: Refrigerator body (main cabinet)
- 2**: Refrigerator door
- 3**: Door hinge
- 4**: Door hinge pin
- 5**: Power cord
- 6**: Door seal
- 7**: Wire (top)
- 8**: Wire (bottom)
- 9**: Water supply line
- 10**: Refrigerator door inner panel
- 10-1**: Refrigerator door inner panel (bottom section)
- 11**: Refrigerator door handle
- 11-1**: Door handle mounting bracket
- 11-2**: Door handle mounting bracket (bottom section)
- 11-3**: Door handle mounting bracket (top section)
- 11-4**: Door handle mounting bracket (bottom section)
- 12**: Refrigerator door handle pin
- 13**: Refrigerator door handle pin
- 14**: Refrigerator door handle pin
- 15**: Refrigerator door handle pin
- 16**: Refrigerator door handle pin
- 17**: Refrigerator door handle pin
- 18**: Refrigerator door handle pin
- 19**: Refrigerator door handle pin
- 20**: Refrigerator door handle pin
- 20-1**: Refrigerator door handle pin
- 20-2**: Refrigerator door handle pin
- 20-3**: Refrigerator door handle pin
- 21**: Refrigerator door handle pin
- 21-1**: Refrigerator door handle pin
- 21-2**: Refrigerator door handle pin
- 22**: Refrigerator door handle pin
- 23**: Refrigerator door handle pin
- 24**: Refrigerator door handle pin
- 25**: Refrigerator door handle pin
- 26**: Refrigerator door handle pin
- 27**: Refrigerator door handle pin
- 28**: Refrigerator door handle pin
- 28-1**: Refrigerator door handle pin
- 28-2**: Refrigerator door handle pin
- 28-3**: Refrigerator door handle pin
- 29**: Refrigerator door handle pin
- 30**: Refrigerator door handle pin
