1-2. FRAME & COVER PARTS

1-3. ASS'Y TUB DRUM

This diagram illustrates the exploded view of the tub drum assembly. The central component is the drum (W0726), which is surrounded by various mounting brackets, bolts, and seals. Key components include the drum flange (W0148), the drum support bracket (W0612), and the drum seal (W0610). The diagram also shows the drum's connection to the tub (W0605) and the drum's mounting to the tub frame (W0601). The drum is shown in its assembled position, with the drum flange (W0148) and the drum support bracket (W0612) visible. The drum is also shown in its exploded position, with the drum flange (W0148) and the drum support bracket (W0612) visible. The drum is shown in its assembled position, with the drum flange (W0148) and the drum support bracket (W0612) visible. The drum is also shown in its exploded position, with the drum flange (W0148) and the drum support bracket (W0612) visible.
